**REP. VALLEE ANNOUNCES 2009 POLICE OFFICER, MBTA
TRANSIT POLICE, AND MASS. STATE TROOPER EXAM DATES**

(Boston) – Rep. James E. Vallee (D- Franklin) announces that the Massachusetts Human Resources Division would like to publicize the Police Officer for cities and towns, the MBTA Transit Police Trooper; and the Massachusetts State Police Open Competitive Examination dates for the year 2009. The examination date is scheduled for April 25, 2009 and the application deadline is March 18, 2009. The examination fee is \$100 dollars and there is an additional \$50 dollar processing fee for applications received after the application deadline. Applications WILL NOT BE ACCEPTED after April 1, 2009.

The examination will be held in order to help create an eligibility list to fill Police Officer vacancies in civil service cities and towns and the Massachusetts Bay Transportation Authority and in non-civil service Trooper positions within the Massachusetts State Police Department. The Human Resources Division recommends that applicants read the entire examination announcement on their official website because requirements differ between the Police Officer and Trooper tests. Their website can be accessed through the www.mass.gov website.

Representative Vallee realizes that this is important information and wants to make sure that the message is received by his constituents. He urges those who are eligible and interested to begin processing their application and to prepare for the exam. The Representative is open to any questions and can be contacted at his State House Office at 617-722-2380 or e-mail at Rep.JamesVallee@hou.state.ma.us.
