VALLEE HOSTS YOUTH HOCKEY CHAMPIONS AT STATE HOUSE

Boston, Mass. – A group of Franklin Youth Hockey players were recognized today at the State House, as Representative James E. Vallee (*D – Franklin*) hosted them for a visit to applaud their recent state championship victory in the Squirt 3, Tier 4 Division.

“Getting to know my constituents is one of the best parts of this job,” Vallee said. “I am pleased to have the opportunity to congratulate such an enthusiastic and hard-working group of children and their parents.”

"It is exciting to meet such committed and accomplished youngsters. By working as a team, along with their coaches and parents support, they have shown that practice and determination can bring excellence,” said Senator Karen Spilka. “We are all very proud of them!”

The team of 10-year-olds was joined by their head coach, Ken Assad, and their parents for a historic State House tour and an introduction on the House floor.
