**VALLEE EARNS APPOINTMENT AS HOUSE MAJORITY  
LEADER**

**BOSTON, Mass.**— Representative James E. Vallee has officially received his appointment from the Speaker of the House, Robert A. Entering his eighth term serving in the Massachusetts Legislature, Vallee will take on his new role as the House of Representative's Majority Leader.

“As Majority Leader, I will have the opportunity to work with the Speaker directly and to bring about necessary changes and reforms to the House and Commonwealth,” Vallee said. “It is an important role, and I am truly honored and proud to be of service to the Commonwealth in this capacity.”

Vallee has been given the opportunity and responsibility to take on a key leadership role. Over the previous year the Legislature has been under much scrutiny regarding a few of its members and their ethics. Vallee is well aware of this and is eager for reform, stability, and unity. He understands that their needs to be a change and he realizes that the Speaker has put him in the position to work along side him.

“My role as Majority Leader requires many responsibilities that I am eager to undertake. It is a unique opportunity and I am excited and prepared to be a resource and assist my fellow colleagues,” said Vallee. Vallee continued, “As a Representative, I have a responsibility to most importantly serve my constituents of Franklin and Medway. I

thank them for their continued support and look forward to approaching the challenges that lay ahead.”
